

Care About Cardboard

Keep It Out of Our Waste Stream.

*Please Help Us Make Our Recycling Program Even More Successful
by Remembering to Put it Out on WRAP day.*

**EVERY TON OF
PAPER & CARDBOARD
RECYCLED SAVES 17 TREES!**

- The Town of Islip has recycled more than 46 million pounds of cardboard since 1992
- Recycling paper uses 60% less energy than manufacturing paper from untouched timber
- Recycling decreases emissions of greenhouse gases

**CORRUGATED CARDBOARD HAS A WAFFLED OR RIBBED
MIDDLE LAYER, USUALLY BROWN IN COLOR.**
